

## A PICTURE BOOK OF THOMAS JEFFERSON PICTURE BOOK BIOGRAPHY

Jan 22, 2021

[A Picture Book Of Thomas Jefferson Picture Book Biography](#)

This Book explains the life of Thomas Jefferson. It starts out explaining how his father died when he was very young, leaving him the man of the house and with a lot of responsibilities. The book also explains how Jefferson always loved reading and decided that it would be good to go to college for law. He was the person who wrote the declaration of independence and was the secretary of state for George Washington. He also served two years as president himself and established the University ...

In the same picture-book format as the author and illustrator's George Washington (1992), this volume presents the life of Thomas Jefferson. Giblin records the significant events in Jefferson's long and varied career with enough personal incidents and sidelights to give readers some sense of the man himself, as well as his place in history. Despite the limits of a 48-page picture book, Giblin portrays Jefferson as a complicated, many-sided man and is candid about such issues as his ...

[A Picture Book of Thomas Jefferson by David A. Adler](#)

This a good book for intermediate children on up. The author knows how to write to inform without a lot of fluff. Thomas Jefferson was a very complicated man. He lost his wife after only 10 years of marriage, his grief over this lasted 6 months, and then into the political man that we all have learned and loved. Yet, his inner man struggled with equality of each person, especially with the black slaves that he owned. In many memoirs, he expresses this thought-provoking justice, yet he does ...
