A Torch Against the Night is the very glorious sequel I had expected from Sabaa Tahir. But what distinguishes itself from its prequel is the otherworldliness of it. The breath of Death on our characters' necks. The villain(s) that are evil incarnate. The idea of a prescribed destiny. The new abilities and powers. The demons, the stories, the souls -- everything combines with a well-built plot, an expanded universe and realistic, fla

A Torch Against the Night by Sabaa Tahir // Book Review. September 17, 2020 September 10, 2020 by Simone. Let me first start off by saying this is the book that's solidified my love of Sabaa Tahir and her ruthless writing. I don't think I've even read an author as brutal as she is with her characters. And I've read some "evil" authors in my time. Here's More About A Torch Against ...

Bei "A Torch Against the Night" sind es nun drei denn auch Helene's Geschichte wird hier aus ihrer eigenen Sicht erzählt. Sabaa Tahir hat einen wirklich wundervollen Schreibstil der mich von Anfang bis Ende mitgerissen hat. Die Charaktere bekommen in diesem Buch mehr Tiefe, die Handlung wird immer komplexer, und es gab ein paar Wendungen die ich so nicht vorhergesehen hätte! Man kann gar ...

A Torch Against the Night, the follow up to Sabaa Tahir's YA epic fantasy An Ember in the Ashes, certainly puts its readers through the emotional wringer. Tahir's world is one whose ordinary inhabitants suffer under the constant oppression of an occupying force: the military and rulers (the two are in many ways one and the same) of the Martial Empire. In creating her Martial oppressors ...
