The 500 Hats of Bartholomew Cubbins is one of my favorite Dr. Seuss books. It is also one of my favorite books about finding opportunities in the midst of problems. Any budding curious mind will find this book encouraging of looking at things differently, so see what potential they hold. A child who is interested in science may find this book to be a useful metaphor throughout life.

The 500 Hats of Bartholomew Cubbins is a children's book, written by Dr. Seuss and published in 1938. Unlike the majority of Dr. Seuss's books, it is written in prose rather than rhyming and metered verse. The characters of Bartholomew and King Derwin appear again in a later book, Bartholomew and the Oobleck.

Here's how it all goes down: as King Derwin passes with his royal procession, Bartholomew Cubbins removes his hat—you know, per the royal custom. Just one problem: he finds the headwear is replaced by another and another and another and then... another. If all the King's horses and the all the King's men can't get those darn hats off Bartholomew's head, he might just end up dead.

Soon it is Bartholomew's head that is in danger . . . of being chopped off! While The 500 Hats is one of Dr. Seuss's earliest works, it is nevertheless totally Seussian, addressing subjects that we know the good doctor was passionate about: abuse of power (as in Yertle the Turtle), rivalry (as in The Sneetches), and of course, zany good humor!
